

Leave an Isles Legacy

***Leave a planned gift to support and strengthen
Isles' ability to continue fostering self-reliance now and in the future.***

Just as you carefully plan for your financial future, we plan to help folks in Trenton and the surrounding communities in the future. Your planned gift can help strengthen our work now and in the future, and create a personal family legacy of supporting self-reliance and healthy sustainable communities. If you are considering including Isles in your financial plans, we invite you to share your will or estate plans with us.

When you become a member of the Isles Legacy Circle you will be invited to our annual major donor event and you will enjoy the satisfaction of knowing your gift will provide a lasting impact on so many.

The majority of planned gifts are given through a simple bequest in a donor's will. This is an easy way to give a planned gift. The following is a form that will help us understand your wishes. Your gift of any size will make an important difference.
