Want to get involved in community or school gardening?
Isles Garden Support Network (IGSN) provides technical support, workshops, social events, supplies, and resources for new and experienced gardeners and organizations.

Services include:
- Gardening and cooking workshops
- The “Incubator” training garden
- Site evaluations
- Soil testing
- Seeds, seedlings, fertilizer, compost, and tool loans as available
- Facilitation of water and land access
- Technical assistance
- Nutrition education, and more!

We can help!
Our free home check-up will:
- Test your paint, tap water, and soil for lead.
- Assess other indoor issues that affect asthma or other health conditions.
- Give you tips on how to keep your home lead safe and healthy.

Testing takes about an hour and can be scheduled on weekends or evenings for your convenience. You may also be eligible for up to $13,000 in home improvements at no cost to you.

Did you know?
- Lead paint was used in homes built before 1978.
- More than 90% of Trenton properties were built before 1978.
- Lead dust from paint in older homes can cause attention, behavior, and learning problems in children under 6 years of age.

Fix Your Finances

Tired of living paycheck to paycheck? Want to get ahead instead of just getting by? Isles Financial Solutions (IFS) is a financial coaching service for those looking to get their financial lives on track. We can help you get past the money traps of poor credit, no savings, and high-cost debt - or simply figure out where all your hard-earned money is going.

IFS participants meet with a financial coach to discuss their financial goals and create a plan to achieve them. Get the information and support you need to succeed. Services include:

• Monthly saving and spending plan creation
• Credit/debt analysis and action plan
• Strategies to help you stay on track
• Banking and bill paying assistance
• Credit Builder Loans, as applicable
• First-time homebuyer services
• Financial education
• Basic income tax filing assistance

☎ 609.341.4740  ifs@isles.org

If you have old windows and doors, a leaky roof, or if you received a lead abatement order from the City, Isles Lead and Healthy Homes Service might be for you. We’ll come out and assess your home for lead and other structural issues.

If you qualify*, we may be able to:

• Replace your roof, windows, doors, interior walls damaged by moisture
• Replace unsafe stoves and refrigerators
• Provide heating system repair/replacement and energy efficiency upgrades to save you money on your heating bills

* You qualify if we find lead based paint and your household income meets these annual income limits for family size:
1 - $55,950  3 - $71,950  5 - $86,300
2 - $63,950  4 - $79,900  6 - $92,700

If you are a landlord who rents to income qualified participants, this program is also available to you.
