

## Now M&T's Bi-Weekly Mortgage saves customers even more!

You knew an M&T Bi-Weekly Mortgage can save customers thousands of dollars over the life of their loan and help them to own their home years sooner, but now M&T is making the savings even bigger! M&T has reduced the bi-weekly mortgage interest rate by 1/8% on both its conforming and jumbo loans.\* So with a bi-weekly mortgage from M&T, customers have even greater savings while paying off their loan years sooner when compared to a typical 30 year mortgage. So be sure to share this great news and the great savings with your customers!
