

What Does M&T Stand For?

In 1856, it stood for Manufacturers & Traders.

Founded more than 160 years ago, M&T has built a reputation for providing outstanding customer service. It's a tradition we're proud of, and one we pledge to continue.

Today, it stands for much, much more.

Putting your needs first is what M&T is all about. In order to meet your needs, we offer home financing programs which include Conventional, FHA and VA Mortgages, Adjustable Rate Mortgages, Bi-Weekly Mortgages, New Construction Loans, Jumbo Mortgages, and a Mortgage Pre-1031 Program. M&T operates a strong and growing residential mortgage lending network. M&T is among the nation's 20 largest mortgage servicers with a portfolio exceeding \$10 billion and over 100,000 homeowners nationwide.

For more information, contact M&T Bank today.
