Gardening Workshop – Plant Cuttings

Wednesday March 15th; 5³⁰-7³⁰ PM

Wish you could pick a fresh fig from a tree in your backyard? Or start a houseplant from a friend's without seeds? This is the workshop for you! Learn how to start new plants from cuttings. Learn how to start: Figs, Elderberry and houseplants in this interactive, fun lesson.

Community Garden Kickoff Meeting

Wednesday, March 22th; 6-7³⁰ PM and Saturday March 25th; 10 AM-Noon

Whether you're a seasoned expert or just discovering your green thumb, join us as we gear up for the year. Don't belong to a garden? We can help connect you with one. Need more hands-on help? Learn about our training garden, the Incubator.

Gardening Foundations 1 – Back to Basics

Saturday, April 1st; 10 AM-Noon

Want to garden, but not sure where to start? Join us for an informal workshop designed to take you through the season as we discuss soil, watering, planting, organic techniques, and troubleshooting. Participants are also encouraged to attend Parts 2 and 3.

Spring Plant & Seed Distribution

Friday, April 14th; 4-7 PM and Saturday, April 15th; 10 AM-Noon

Members pick up seeds & fertilizer along with cool-weather seedlings like lettuce, cabbage, collards, & kale.

Forest to Table Seminar

Saturday April 22nd; 10 AM–2 PM

Come forage with us! Learn how to identify spring, wild plants and edibles that feed & heal. Then enjoy the fruits of your labor with a fresh meal that you will prepare with Chef Pearl.

Summer Plant & Seed Distribution

Friday, May 5th; 4-7 PM and Saturday, May 6th; 10 AM-Noon

Members pick up seeds & fertilizer with warm-weather seedlings like tomatoes, peppers, eggplant, & herbs.

Gardening Foundations 2 – Keep it Natural

Saturday, May 13th; 10 AM-Noon

Learn organic ways of handling garden problems that are safe for you and the environment. Learn about the benefits and principles of composting, and the vital role that soil organisms play in plant health.

Gardening Foundations 3 – Tools & Techniques

Saturday, June 3rd; 10 AM-Noon

In addition to learning about basic tool use and care, we will discuss strategies for effective watering, weeding, and harvesting. Techniques for plant pruning & support are demonstrated as ways to maximize yield in the minimum amount of space.

Garden Social

Friday, June 9th; 4-7 PM

This is it..the garden party that you've been waiting for! Partake in food & fun. Have a special dish to share? We love it when friends bring dishes, especially when made with produce from their gardens. Family and friends are always welcome. This is our most popular garden event of the season!

Tucker Garden Open Hours EVERY WEDNESDAY 4-8 PM (Starting April 5)

Join us to discuss gardening, ask questions, work on your incubator bed, or just hang out in the garden. Plants and/or seeds may be available to registered gardeners. Guests are welcome to stop by at any time!
