Founded in 1981, Isles is a nationally recognized nonprofit community development and environmental organization with the mission to foster self-reliant families in healthy, sustainable communities. Each year, Isles reaches thousands of central New Jersey residents with opportunities for at-risk youth job training, affordable housing development, financial literacy training, homeownership counseling, community gardening, environmental health and education, community organizing, and regional planning.

WHAT IT’S LIKE TO WORK FOR ISLES: Isles strives to provide impactful programs, while maintaining a healthy work-life balance and a positive, team-oriented atmosphere. Our team consists of 100 employees, plus a corps of volunteers and an engaged Board of Directors.

POSITION OVERVIEW: Lead & Healthy Homes Evaluators / Case Managers are frontline workers trained in healthy housing solutions and customer service. They support the successful delivery of the Isles lead, energy and healthy homes services, including customer outreach, lead and healthy homes assessments, applicant intake, documentation and reporting, customer service, and general office support. This position will work closely with the Energy and Environmental Health Services Managers, outreach personnel, Lead Construction Managers and other staff engaged in weatherization and lead services. This position interfaces with a variety of organizational personnel, external agencies, customers and the general public. They should have a close understanding of the community they serve. This trusting relationship enables Lead & Healthy Homes Evaluators / Case Managers to serve as liaison between health, housing and the community to facilitate access to services and improve the quality of life of residents with whom we work.

ESSENTIAL FUNCTION/RESPONSIBILITIES:

• Schedule and complete Isles Healthy Homes Assessments (HHA), which includes testing for lead in paint and water.
• Deliver healthy homes education to residents based on issues found in home.
• Provide written documentation of home health issues and follow-up recommendations.
• Provide follow-up education and interventions as required by HHAs.
• Complete all required documentation, photo uploads, and database entries.
• Provide information to Lead Construction Managers and/or Energy Auditors as needed to complete in-home work.
• Perform customer outreach for lead, energy and healthy homes program participation.
• Assist in the preparation of regularly scheduled reports.
• Carry out administrative duties such as filing, scanning and report preparation.

WHO WILL BE SUCCESSFUL: The people who thrive on our team are passionate, visionary, curious, creative, open-minded, flexible, self-directed, and willing to learn from mistakes. They are also results-driven, detail-oriented, and responsible.
