

# Lifelong Learning Accounts at isles

Self-Reliant Communities

## Up to \$9600 for training, education and support

Grants are available through the **Financial Opportunity Center** at Isles. Eligible NJ residents receive funding to pay for training, education, and additional supports while earning credentials and securing employment.

### Employment Coaching

Meet with an employment coach to discuss your goals, skills, and interests. Access ongoing one-on-one support as you pursue training and employment.

### Earn a degree or credential

Find out about approved education and training opportunities to qualify for in-demand jobs. Use grant funding to pay for education or training.

### Resume writing and interview skills

Increase your chances of landing a new job, with a polished resume and improved interview skills.

### Use of grant funds

In addition to the costs of education/training and necessary course supplies, Lifelong Learning Account funds can be used for childcare, transportation and other means of support as you obtain new skills and secure employment.

### Who is eligible?

Employment coaching and job readiness services are available to all. LiLA Accounts are available to income-eligible NJ residents over 18, pursuing training for in-demand jobs and utilizing the services of this program. One participant per household. *Contact Isles for full details.*
